

CITIZEN FORESTER

City of Trees monthly volunteering sessions

Whether you're a green guru, an eager novice or just fancy helping out occasionally at some tree planting or orchard creation - we want to hear from you!

Whether you give 1 day, 1 hour or 1 week, by becoming a Citizen Forester, you're spreading the word about the City of Trees movement and helping us to achieve our vision of planting a tree for every man, woman and child across Greater Manchester.

Our events take place 10am - 2pm the first Thursday of every month at locations across the city region. Tools, training and equipment provided - please wear appropriate footwear and clothing.
